Parents and Guardians,

The District hopes everyone had a great winter break and their new year is off to a safe and healthy start. The semester change is rapidly approaching, the end of the second nine weeks is Wednesday, January 12. If you have any questions concerning your child’s progress please contact their teacher or counselor for assistance.

As a reminder to parents the District will utilize the all call system to inform parents of any changes to the school calendar or the daily operations. As we continue to move forward the District has no intentions at this time to go remote or virtual. We have been fortunate that we are able to continue to in-person learning because of our students and staff members’ efforts to protect one another while in school.

Please visit the District’s website for the inclement weather correspondence. The process the District will utilize for making weather decisions is outlined in the letter.

Senior pictures will be taken on Wednesday, January 12, starting at 8 a.m.

Reminder, Monday, January 17, there is no school for students. The District will be observing Martin Luther King Jr. Day.

Please be reminded that a mask must be worn during all indoor events. All visitors or spectators must have a mask on to enter the school.

Thank you and have a great weekend.
